Society for American Baseball Research. Paperback / softback. Book Condition: new. BRAND NEW, The National Pastime, Volume 27: A Review of Baseball History, Society for American Baseball Research, Society for American Baseball Research (Sabr), "The National Pastime" offers baseball history available nowhere else. Each fall this publication from the Society for American Baseball Research (SABR) explores baseball history with fresh and often surprising views of past players, teams, and events. Drawn from the research efforts of more than 6,700 SABR members, T"he National Pastime" establishes an accurate, lively, and entertaining historical record of baseball. "A Note from the Editor, Jim Charlton: " This is the first issue of "The National Pastime" devoted to articles on "individuals in the game." An all-biographical issue, if you will, though this is a leaky umbrella over the subject: there are interviews, slices of players' lives, and write-ups of big games by players. One SABR wag commented to me that he "thought every issue of "TNP" was all biographical," but that has not been the case. Whew! It is not, of course, the first dedicated issue of the journal. John Thorn and Mark Rucker put together delightful all-pictorial issues in the 1980s that were on particular topcis, such as 19th-century ball. In 1992, the estimable Peter Bjarkman edited an issue of "TNP" devoted to baseball around the world. These are among my most cherished issues of the journal, and for newer members, these are well worth seeking out and acquiring. This issue of "TNP" has some wonderful pieces on some surprising subjects. One is Jeff Obermeyer's profile of major leaguer Jim Riley, who also played...
