Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I can't say enough about Dr. Collins and her knowledge of tracking criminals on the Internet; she is a great asset to law enforcement." -Anthony Abdallah, Police Detective, Inkster Police Department (CID), Inkster, Michigan "This valuable book is an essential, pragmatic guide for the full understanding and investigation of identity theft crimes.
