

## Learning Civil Procedure (2nd Revised edition)

By Jeffrey Stempel, Steven Baicker-McKee, Brooke Coleman, David Herr, Michael Kaufman

West Academic. Hardback. Book Condition: new. BRAND NEW, Learning Civil Procedure (2nd Revised edition), Jeffrey Stempel, Steven Baicker-McKee, Brooke Coleman, David Herr, Michael Kaufman, Learning Civil Procedure provides a broad, student-centered, user-friendly approach to civil procedure that is both clear and sophisticated. It engages students through presentation of examples and analyses that build mastery of the material before moving on to more involved problems similar to those students will encounter on final examinations, bar examinations, and as lawyers. The book makes great use of problems to facilitate dialogue in class and correspondingly uses many fewer case excerpts than does the typical casebook. But it includes the core ""canon"" of civil procedure opinions as well as sufficient historical background necessary for producing culturally literate lawyers better equipped for actual real world litigation practice. For those teachers who want more cases, the accompanying website includes edited versions of all the traditional cases found in most civil procedure casebooks. The website also provides exam questions, multiple choice practice questions, and a Comprehensive Study Guide.
