Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

HELL IN THE HEAD: MY WAR WITH A BRAIN TUMOR AND OTHER EVIL THINGS

Kenilworth House Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.He got sucker-punched, blindsided with something that only happens to other people. Actor David Shannon had a brain tumor. It was called an Acoustic Neuroma. In late 2007, he had surgery to have it removed. All should have gone well. It didn't. Gradually over the next two years, Shannon made one disturbing discovery after another that left his acting career and his former life in ruin. Hell in the Head is his story. With a knack for story-telling, Shannon takes us along on his medical misadventure with irreverent wit. As he weaves his way through his newly found post-surgery world, he shares heart-rending losses and his dashed hopes for recovery as well as stories of achievement and inspiration. From learning the bitter truth to running a half marathon to meeting Crookedsmile and others facing the same ordeal, Shannon tells the good and the ugly with the same wry humor that will have you laughing and crying at the same time. In the end, after a three-year-ride on a rollercoaster of emotional chaos, he presents an advocacy for improved care and counseling for Acoustic Neuroma patients. Hell in the Head is a story of wit and inspiration for all readers and a must read for Acoustic Neuroma patients and posties.
