Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Excerpt: . . . chapter xiv. opening the safe. ; The four men stood in silence before the body. Jimmy bent and touched the hand. Dead! he said. Angel made no reply, but switched on every light in the room. Then he passed his hands rapidly through the dead mans pockets; the things he found he passed to one of the other detectives, who laid them on the table. A chisel, a jemmy, a centre-bit, lamp, pistol, enumerated Angel. It is not difficult to understand why Connor came here; but who killed him He made a close inspection of the apartment. The windows were intact and fastened, there were no signs of a struggle. In the sitting-room there were muddy footmarks, which might have been made by Connor or his murderer. In the centre of the room was a small table. During Angels frequent absences from his lodgings he was in the habit of locking his two rooms against his servants, who did their cleaning under his eye. In consequence, the polished surface of the little table was covered with a fine layer of dust, save in one place where there was a curious circular clearing about eight inches in diameter. Angel examined this with scrupulous care, gingerly pulling the table to where the light would fall on it with greater brilliance. The little circle from whence the dust had disappeared interested him more than anything else in the room. You will see that this is not touched,...
