Mainstream Publishing, United Kingdom, 2002. Paperback. Book Condition: New. Reprint. 198 x 128 mm. Language: English . Brand New Book. Billy Cribb was born into a Romani/Jewish family and spent most of his childhood travelling. His early years were marred by the racism and bigotry his family endured at the hands of small-minded locals in the villages where they worked. These random attacks planted seeds of anger and hatred in Billy which later manifested in his fighting - for Billy Cribb became one of the greatest bare-knuckle fighters of his generation. Revealing an underground fight scene, this title traces Billy s career from his first fights on the motorways and A roads around Britain onto the cross channel ferries which provided an arena for many of his early fights. It then follows Billy s move to Majorca, giving an insight into what really goes on on this Mediterranean island: the timeshare racketeering, extortion and organized crime. Billy goes on to recount his move to the USA, where he sank deeper into the world of drugs and violence. He becomes a debt-collector for the Mafia and a star fighter in the Mafia-run fight syndicates of New York and later the cult fight circuit in California. Years later he returned to Britain as a reformed drug addict who had found religion.
