Case studies based on an amalgamation of actual experiences in clinical practice end each chapter, giving you examples (disguised for confidentiality of client information) of how to apply the principles of self-empowerment to real life. Self-Empowerment: Have the Life You Want! is based on Ken Howards more than 18 years of counseling, psychotherapy, and coaching in his private practice office and his experience with thousands of clients (individuals, couples, and groups) in hospitals, agencies, and community organizations.
