

Juggernaut: Trucking to Saudi Arabia

Filesize: 8.69 MB

Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jace Gusikowski IV)

JUGGERNAUT: TRUCKING TO SAUDI ARABIA

5m Publishing. Paperback. Book Condition: new. BRAND NEW, Juggernaut: Trucking to Saudi Arabia, Robert Hutchison, In 1986 professional writer Robert Hutchison became a passenger on a 10,000-mile trip through fourteen countries in a Scania 111. He was sampling the life of the long-haul trucker. The truckers' world was one of long days and nights on the road away from their families, hair-raising tales of accidents and the extreme danger created by murderous driving. He grew to understand why truckers put up with the life - not just for the money and the excitement, but also for their pride in coping whatever the circumstances and for camaraderie. There was, too, the beauty of mountains and lakesides and the strangeness of the desert. Robert's trip with Graham Davies of Whittle International took him through Cold-War Europe to Turkey and then through Iraq during the Iran - Iraq conflict with twenty-mile border queues and frequent police shakedowns. Finally they delivered their cargo of machinery and ovens for making plastic pipes to Al Khobar in Saudi Arabia before heading home after 31 days on the road. This journey was undertaken when the golden age of transport from Europe to the Gulf was coming to an end. Robert's accurate record, first published in 1987, is full of interest, drama and humour, telling the story of a remarkable breed of men. This is the first paperback edition.
