Chapter II. Concession And Authorization To Construct Railroads Op General Service. Art. 9. The construction of lines of general service may be undertaken by the general government, by companies, or by individuals. Art. 10. In order that the government may undertake the construction of a line with national funds, or with the aid of the provinces or towns, it is necessary that the line be included in the plan, and besides, its immediate execution must be authorized by a special law. Art. 11. When a line of general service is to be constructed by individuals or companies, the concession must always be preceded by a law fixing the conditions under which the concession is to be granted. Art. 12. The construction of lines of general service may be aided with public funds: 1. By carrying on certain works in conjunction with the lines. 2. By delivering to the companies at stated periods a part of the capital invested. 3. By allowing the use of works constructed for public use compatible with the use of the railroads. 4. By granting exemption from customs duties upon the material of construction and operation of the railroads, complying strictly with the provisions of the laws of the Budget or any others in force. 5. By guaranteeing interest, which shall not exceed 8 percent per annum on all, or on part, of the capital invested in constructing the railroad. 6....
