*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

This series of storybooks for Key Stage 2 children introduces pupils to important musical works through interesting adventure stories. Teachers can either read the story whilst playing the CD to help evoke the soundscapes of the music. This is ideal for use as part of an integrated scheme of work for art music and literacy and is an approachable resource for non-music-specialists.
