Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Barron's Educational Series. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 8.3in. x 6.9in. x 0.2in. Its never too soon to start teaching boys and girls a second language, and this book presents pages filled with cheerful color pictures that help teach Spanish words to English-speaking children in early grades. It presents more than 350 illustrations of familiar objects, with nine pictures on each page. Every picture is labeled with its English word, followed by its Spanish equivalent. The translated word is followed in turn by a phonetic spelling in smaller type. Words are grouped according to themes, such as Sports, The Classroom, Fruit, Vegetables, Party Time, Weather, and many others. For example, the nine illustrations on the Sports page show pictures with bilingual labels for football, table tennis, skiing, fishing, gymnastics, athletics, cycling, swimming, and basketball. Heres a fun way for younger English-speaking children to build a basic vocabulary in Spanish. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
