FRENCH PUBLIC OPINION AND THE TRANSITION TO THE SINGLE CURRENCY SYSTEM 1981-2002

iUniverse, United States, 2003. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The author describes in this publication, the institutional framework of the European Union, the existing currency systems, and provides a review of the Maastricht treaty ratification debates. He used the op-ed of Franco-German finance ministers published in the International Herald Tribune, to relate the desire of the two countries to work on the new currency creation, as well as describing the preparation of corporate France. The events to mark the new change over as reported in national newspapers and the public information campaign to turn millions of people into users of the Euro were well narrated.
