Coaching Tips for Children's Soccer

By Klaus Bischofs

Meyer & Meyer Fachverlag Jan 1998, 1998. Taschenbuch. Book Condition: Neu. 180x116x8 mm. Neuware - When playing soccer with children up to 10 years of age, fun and allowing them to find themselves through experience should be top priorities. Children are not mini-professionals, they need child-friendly rules and a clear framework in which to operate. The thought that soccer is only a game must guide all training and competition. Along with 60 play-oriented training units set out ready for use and also many additional games and exercises, trainers and children's coaches discover teaching aids for their work with children and parents. If children feel at home in a club and their football team, then non-sporting activities such as parties, excursions and holidays are also recommended. 128 pp. Englisch.
