Transworld Publishers Ltd, United Kingdom, 2016. Paperback. Book Condition: New. Film Tie-In. 198 x 127 mm. Language: English . Brand New Book. Robert Mazur spent five years undercover infiltrating the criminal hierarchy of Colombia's drug cartels. The dirty bankers and businessmen he befriended knew him as Bob Musella, a wealthy, mob-connected big shot living the good life. Together they partied in expensive hotels, drank the world's finest champagnes, drove Rolls-Royce convertibles and flew in private jets. But under Mazur's designer suits and hidden away in his quality briefcase, recorders whirled quietly, capturing the damning evidence of their crimes. Then, at his own staged wedding, he led a dramatic take down that shook the underworld. In the end, more than eighty men and women were charged worldwide. Operation C-Chase became one of the most successful undercover operations in the history of US law enforcement, and evidence gathered during the bust proved critical to the conviction of General Manuel Noriega. The Infiltrator is the true story of how Mazur's undercover work helped bring down the unscrupulous bankers who manipulated complex international finance systems to serve drug lords - including Pablo Escobar and the infamous Medellin cartel - corrupt politicians, tax cheats and terrorists. It is a shocking chronicle of the rise and fall of perhaps the biggest and most intricate money-laundering operation of all time. And, at its heart, it's a vivid portrait of an undercover life and the sacrifices it requires. Filled with dangerous lies, near misses and harrowing escapes, The Infiltrator is as bracing and explosive as the greatest fiction thrillers - only it's all true.
