Reviews

Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.

Avon A, United States, 2010. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book. Gripping, suspenseful, magical, and richly atmospheric . . . Ilie Ruby s haunting debut novel, *The Language of Trees*, is exhilarating fiction that announces the arrival of a truly extraordinary storyteller. Echo O Connell knows that the summer holds its secrets. They are whispered in the rustling trees, in the lush scent of the lilacs, in the flurry of the mayflies batting against the screen door, and in the restless spirits that seem to clamor in the scant breezes on hot evenings. It is in summer that she returns home to Canandaigua, to confront these spirits, both living and not, and to share a secret with her first love, Grant Shongo--a secret that will forever change the lives of many people in the town and put to rest the mysterious disappearance of a little boy more than a decade earlier. Grant, a descendant of the Seneca Indians who call this place The Chosen Spot, has also come back to face his past. After a broken marriage, he has moved into his childhood home, a lake house that has withstood happiness and tragedy. He knows the spirits of the past must be dealt with--that of the little boy who disappeared all those years ago; the boy s sister, who never overcame the loss; and the love Grant still has for Echo. But before the healing must come the forgiveness. . . .
