LIFE IN A FARMING COMMUNITY

Crabtree Publishing Company. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. People first domesticated wild animals and plants more than 10,000 years ago. The first peoples of North America quickly learned to farm using hand- and animal-power. As technology developed, farming machines were invented. These helped develop farming in many regions of North America previously too difficult to cultivate. From 1840 to 1880, Wisconsin USA became the breadbasket of America, and crop- and livestock-farming developed quickly....

Reviews

This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
