Brand New Book ***** Print on Demand *****.This is a true story of a young girl that endured rape at the age of six at the hands of a family friend s son and the sexual abuse that became a repetitive pattern until the oppressor s last attempt at the age of eleven. Let me take you on my journey that started out as what seemed would never end until I found courage to fight for my sanity and peace of mind. Reports show that 93 percent of victims are under the age of eighteen and happens to know the abuser. I am exposing the immediate effects of sexual abuse-withdrawal, sleeping and eating disorder, anger, guilt, depression, and fear, not to mention other doors of unhealthy activity I was exposed to. Through my story, I pray that you re inspired, encouraged, and strengthened to be able to step out on faith and expose the ugly truth about your abuse. I also want you to know about God s healing and deliverance and constant prayer. This opened the door for help in healing and making me whole again and being able to forgive my oppressor when I didn t think it was possible. Forgiveness is key. It s for you to be able to let go and move from the past, heal, grow, and love again.
