PUBLIC ACCOUNTING AND AUDITING (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Public Accounting and Auditing Accountancy is generally considered the youngest of the professions. In 1896, New York enacted the first Certified Public Accountant law in this country, and thus formally recognized accountancy as a profession. Since that time, all the states excepting two have enacted similar laws, until accountancy is now recognized as one of the leading professions. Almost imperceptibly accounting and auditing have grown to be indispensable factors in the policy of every business enterprise. Today, it is estimated that there are approximately three thousand Certified Public Accountants in the United States. There are hundreds of firms of accountants employing junior and senior accountants, and these firms are now looking to the schools of commerce for suitable recruits for their staffs. Harold Benington, C. P. A., President of the Illinois Society of Certified Public Accountants, in an address delivered in Chicago, December, 1915, at a convention of the National Commercial Teachers Federation, said: We, the public accountants, have to rely to a very large extent upon you gentlemen for the recruits that enlist for services in our offices. We rely upon you to send us men who have undergone the preliminary training and are ready for active service. We don t expect you to send us veterans, but we do expect men who studied the rudimentary theory of tactics and know how to handle their tools. It seems to me that your share of the work lies in constantly improving and expanding the character of the instruction which you offer to your students, and that our share of the work lies to a very large extent in encouraging young men who have just begun business,...
