Feeling unsatisfied with your current work? Business Consultant Clayton Kirio offers advice on how to become an enlightened entrepreneur. Building on his consulting and accounting backgrounds and years of experience in the business world, Kirio identifies the elements essential for creating and maintaining a healthy business. However, this is not your average how-to book. Kirio revolutionizes conventional financial advice by looking at businesses through the lens of Ayurveda, the ancient Indian science of life. This book is a must-read for all who dream of owning their own business and making a difference through their life's work. Clayton Kirio is the President of Kirio Co., Inc., an accounting and business management firm in Honolulu, Hawaii.
